Our Learning Journey

I hope you are all enjoying the seesaw app, if you still need to sign up please return your slip. The children have been asking to look at it and have told me how much they enjoy showing their grown-ups what they have been doing at school. This is a great starting point for finding out about your child's day. The children have been doing some fantastic learning this week, they have particularly enjoyed the weather being a bit warmer and drier, they have made the most of being outside - there has been lots of exciting learning taking place, they have made houses, rockets and planes, played in the sand and water, and some children reinacted the 3 little pigs story using our imagination station to capture the wolf!

Don't forget to check the school website www.davyhulmeprimary.com and the [EYFS blog](#) for photos showing what the children have been learning. If you have any questions or require any further information, please pop in and speak to one of us.

This week...	Next week...

We won't necessarily be walking, jogging, running a mile but will be developing a regular, healthy habit which is proven to improve mental health.

Parents in partnership

Our **Davyhulme Decathlon** board is looking amazing! We are fast approaching our target of 100 photographs of children performing different actions such as running, jumping, crawling, painting, building or cooking. Thank you to all those children and families who have got involved, it is great to see!

I wonder how many we can get by the end of the month? Talk to your child about what they would like to do, what suggestions can they come up with? Some of the photographs you have sent are already printed and up on the display, please email them to me at

VIP children - You may have noticed invites haven't been sent out last week, this is because you will have the opportunity to look at your child's learning journey at Parent Evening. ☺ Invites will be sent out again from the beginning of the next half term.

Stay and Play - Monday 3rd April; the timings will be 10:45-11.30 and 2:30-3:15.

Thank you to those parents who have contributed towards class fund this week, I have used some of it to buy some sand, 3 little pig puppets and some pigs.

Community Partnerships

This week the imagination station has been used to capture the big bad wolf! Luckily for us even when he huffed and puffed he couldn't blow down our imagination station! Thank you to Trading Places for their kind donation which has enabled the children to play even more imaginatively outdoors!.
